

# **James Dangora, Jr.**

I have been a resident of the Town of Billerica for forty-eight years. I graduated from Billerica Memorial High School in 1980. In 1984 I graduated from the University of Suffolk with a degree in Economics. In 1990 I obtained a Jurist Doctorate (cum laude) from the New England School of Law.

I have practiced law in Billerica since 1992. Throughout my practice, I have assisted in the formation of and I have counseled many non-profit organizations. For many years, I served as an active member of the Board of Directors of the Boys and Girls Club of Greater Billerica. I served as Club President from 2002-2004. I am a past member of the Billerica Rotary Club. In 1998 and 1999 I served as Rotary Club President. I was a Town Meeting Member for several years. And I have been serving on the BATV Board of Directors since 2013.

I certainly welcome the opportunity to continue bringing my personal and professional skills and commitment to the Board of Directors.
