

Monica Mullen

In her relatively short time as a Billerica resident (5 years), Monica has made a significant impact on our town. As the Board Secretary and Member Recruitment Manager for the Billerica Alliance, Monica has developed and expanded relationships with the Billerica business community. She also helps in producing, "Connecting Billerica", the Billerica Alliance interview show on BATV. As a Rotarian, Monica has dedicated her time to serving the residents of Billerica through delivering gifts to our senior citizens; serving the senior holiday dinner; and volunteering her time to our 5K race and cribbage tournament. Recently, Monica took on the role of Vice President of the Yankee Doodle Committee - this was done in order to ensure that the tradition of Yankee Doodle weekend would continue.

Monica grew up outside Cleveland, Ohio before spending almost 20 years living and working in Indiana. While there, she served as Executive Director for the local chapter of Big Brother Big Sister followed by her work as the Assistant General Manager at Honey Creek Mall. Monica received her BA in Behavioral Science from Ursuline College in Pepper Pike, Ohio.

Monica is thoughtful in her decision making; creative with her ideas/suggestions; and passionate when it comes to making Billerica a great place to live & work!
